# OHIO VOTES TO REMAIN IN THE DRY COLUMN MARGIN MAY BE THREE TIMES SIZE OF LAST YEAR

All Four Dry Proposals Sustained By Heavy Vote Of The People.

RECORD "OFF YEAR" VOTE CAST BY THE BUCKEYES

Returns Are Coming in Slowly But Dry Landslide Seems to Be Gaining in Unofficial Figures.

(By Associated Press.)

Columbus, O., November 5.—Ohio yesterday voted to remain in the dry column by a majority which may reach three times the size of that by which it voted prohibition a year ago, according to incomplete and unofficial returns received early today at the office of the Secretary of State.

Secretary of State Smith said early today that partial returns to his office from half the counties in the state indicated a dry majority on all four prohibition proposals of approximately 75,000.

The state also apparently voted by big majorities to uphold the action of the legislature in ratifying federal prohibition amendment; to kill a proposal for the manufacture and sale of beer containing as high as 2.75 per cent alcohol, and to put into effect the Crabbé prohibition enforcement bill passed by the legislature last spring.

Yesterday's vote was unusually heavy in view of the fact that no state officials were to be elected. Warmly contested municipal elections brought out a large vote.

## THE ELECTION IN A NUTSHELL

(By Associated Press.)

Columbus, O., November 5.—Ohio voted to retain prohibition by a majority estimated at 75,000, three times the majority by which the state voted dry a year ago.

The state voted for ratification of the national prohibition amendment; voted against permitting sale of beer and wine containing 2.75 percent alcohol; voted to make the Crabbé prohibition enforcement bill effective and it will become effective as soon as the vote is certified by the secretary of state.

Classification was defeated by a majority of 100,000 or more.

L. H. Gibson, wet campaign manager, concedes dry victory on all of the prohibition proposals except 2.75 percent beer.

J. A. White, dry manager, claims dry majorities of 50,000 to 75,000 on all prohibition proposals.

The drys gained more than 2,000 votes in Cincinnati, lost 9,000 in Cleveland, and gained from 8 to 25 to the precinct in many rural communities.

Socialist mayoralty candidates were defeated everywhere.

Mayor Karb, democrat, of Columbus, was defeated by J. J. Thomas, republican. Both local bond issues were carried.

Special session of legislature in December will face taxation issues as result of defeat of classification.

## INJUNCTION MUST STAND AS GRANTED

Government Officials Will Not Accept Proposal of Organized Labor.

GOMPERS PLAN REJECTED

Labor Leaders Express Disappointment When Informed Of Department's Attitude.

(By Associated Press.)

Washington, November 5.—The Government cannot accept the proposal of organized labor to end the coal strike by vacating the injunction against the officers of the United Mine Workers of America.

Assistant Attorney General Ames, in the absence of Attorney General Palmer, announced today that the Government could not abandon its position, because the strike was in violation of the law.

Refusal of the Government to vacate the injunction means a long fight in the coal fields, while its withdrawal would have opened the way for settlement of the strike within forty-eight hours, according to Edgar Wallace, legislative representative of the United Mine Workers of America.

Labor leaders who had taken a hopeful view of the strike situation after hearing of Samuel Gompers' suggestion for a settlement were plainly disturbed by the news that the Department of Justice would let the injunction stand. All agreed that it would keep the strike going for some time.

## WILL CONTINUE R.R. GUARANTEE

Temporary Legislation Seems Assured At This Time

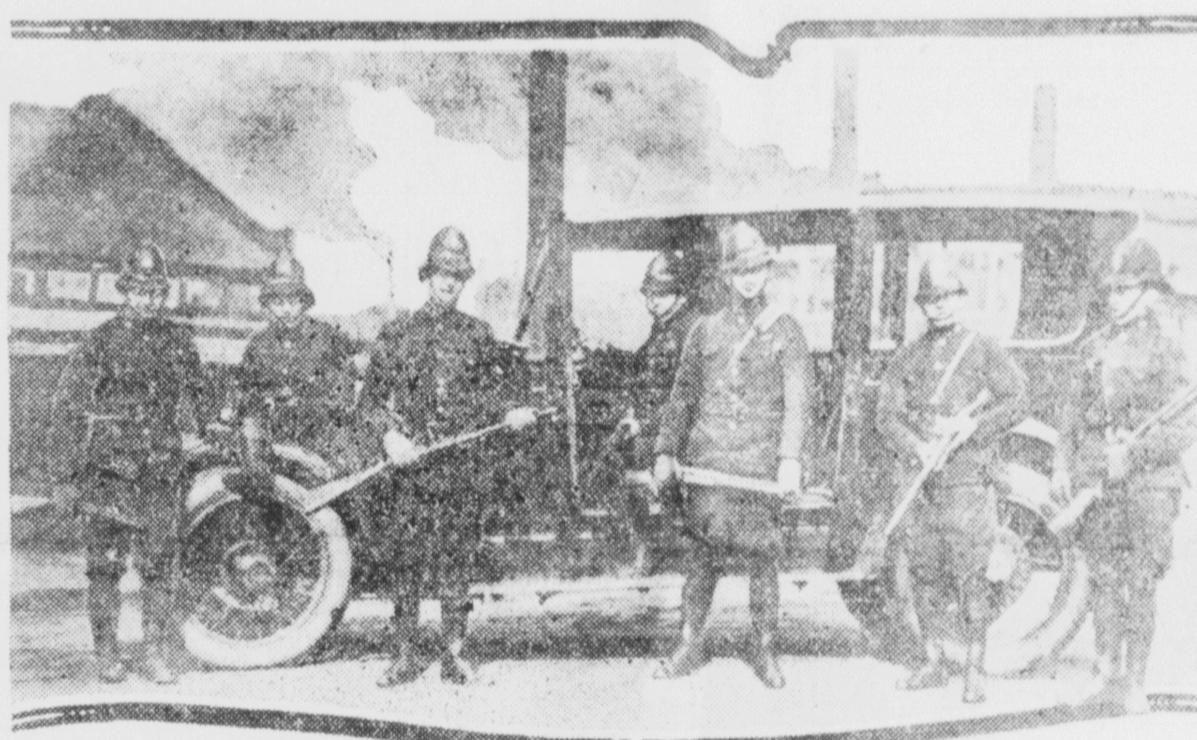

(By Associated Press.)

Washington, November 5.—Temporary legislation continuing government guaranteed returns to the railroads after their return to private control January 1st until such time as Congress can enact permanent legislation, virtually was decided upon by the Senate Inter-State Commerce Committee.

Special session of legislature in December will face taxation issues as result of defeat of classification.

## THOMAS WINS OVER KARB IN COLUMBUS VOTE

Harry L. Davis Chosen by The Cleveland Voters For Third Term.

Witter Is The Winner in Contest At Canton.

(By Associated Press.)

Columbus, O., November 5.—Probably the most startling result of yesterday's mayoralty election in Ohio was the defeat of Geo. J. Karb, Columbus' democratic mayor who was running for a sixth term. James J. Thomas, republican, who has been city clerk for several years, defeated Karb by a majority of over 3,000.

Mayor Harry L. Davis, republican, of Cleveland was re-elected for a third term by a clear majority. In Canton Herman R. Witter, democrat, defeated Henry A. Schrantz, republican, by a small majority.

Lancaster elected C. E. Ruble, a republican. It is said to be the first time in the city's history that a republican mayor was elected.

Other mayors elected were: Akron, W. J. Laub, republican; Fostoria, Fred M. Hopkins, republican; Defiance, Guy Kingsley, republican; Mansfield, H. G. Bunner, democrat; Bucyrus, Wm. Ott, democrat; Tiffin, Geo. M. Edd, republican; Delaware, W. S. Pollock, republican; Hamilton, J. C. Smith, democrat; Marion, T. E. Andrews, republican; Toledo, Cornell Schreiber, independent.

## GIBSON DENIES FULL VICTORY

Cincinnati, O., November 5.—L. H. Gibson, manager of the Ohio Home Rule Association, at noon today stated the wets would not concede that the drys had carried all four prohibition proposals in Ohio.

## KENTUCKY TURNS INTO G.O.P. LINES

Calvin Coolidge, republican, is Overwhelmingly Re-Elected Governor of Massachusetts

(By Associated Press.)

Columbus, O., November 5.—More complete returns today on the election yesterday in several states did not change the outcome in any important respect.

The smashing victory of Calvin Coolidge, republican, in Massachusetts, reelected to succeed himself as governor by the largest vote ever polled by a gubernatorial candidate in that state, shared honors with an almost equally decisive dry victory in Ohio as the most striking results of the voting.

Kentucky was swept into the republican fold in the governorship fight, but today's returns made it certain that New Jersey had reverted to the democratic column.

Maryland was still in doubt, with the democratic candidate leading. In New York state, the election turned on judges of the supreme court, Tammany Hall candidates suffering complete defeat in the city.

## DRY MAJORITY GROWS WITH LATE RETURNS

Secretary of State's Office Places Total Now At Seventy-Five Thousand.

(By Associated Press.)

Columbus, O., November 5.—Additional returns received up to noon today by Secretary of State Smith, served only to substantiate earlier predictions that the drys carried all four prohibition proposals by big majorities at yesterday's election.

Chief statistician Johnson of the Secretary's office, said the dry majority would reach 75,000 bearing out the claims made last night by dry leaders.

Votes tabulated on the classification taxation proposal are said to indicate defeat of the proposal by over 100,000 and officials at the secretary of state's office say it may reach 150,000 or even more.

## TWENTY-SIX NEGROES ADMIT THEIR GUILT

(By Associated Press.)

Helena, Ark., November 5.—Twenty-six negroes charged with first degree murder in connection with negro disturbances near Elaine early in October, entered pleas of guilty of second degree murder when arraigned in the Phillips county circuit court here today and were sentenced by Judge Jackson to serve terms of five years each in the state penitentiary.

The town voted dry by 200 votes and for classification the vote was 56 for and 452 against.

Legislature Now Faces Task Of Revising Taxation Laws

### SPECIAL SESSION NECESSARY

Joint Committee to Take Up At Once Work of Drafting New Laws.

(By Associated Press.)

Columbus, O., November 5.—Defeat of the classification taxation proposal which is conceded by over 100,000 majority puts the state legislature up against the proposition of revising the state taxation laws under the present system of taxation.

Defeat of the proposal makes it almost certain that one of the first taxation measures to be recommended by the joint legislative committee on taxation will be a graduated income tax modeled after that of the federal income tax.

Some form of graduated automobile tax that will greatly increase the revenue from registering motor vehicles also probably will be recommended.

It is expected the joint committee will begin at once the task of drafting new taxation laws in order that they will be ready for the legislature as soon as it reconvenes.

### MAINE SENATE FOR SUFFRAGE

Augusta, Maine, November 5.—The national constitutional amendment granting equal suffrage to women was ratified by the senate by a vote of 24 to 5, with two absentees, at the special session of the legislature which opened Tuesday. It now goes to the house.

Recommends Promotion For Five Commanders

(By Associated Press.)

Washington, November 5.—General John J. Pershing, commander of the American Expeditionary Forces, today concluded his appearance before a joint session of the Senate and House Military Committees to present his views on army reorganization plans.

He strongly recommended elevation to the permanent rank of lieutenant general for Lieutenant Generals Liggett and Bullard and Major Generals Harbord, McAndrews and Dickman.

He gave unqualified endorsement on some form of aircraft consolidation.

Twenty-four Women Arrested After Sharp Fight.

Several Women Rioters Are Slightly Hurt.

(By Associated Press.)

Youngstown, O., November 5.—Rioting broke out again today at the plant of the Youngstown Sheet & Tube Company, when fifty women attacked the sheriff and his deputies when the sheriff tried to keep them from preventing workmen from entering the plant.

Red pepper was thrown into the eyes of the officers by the women, who tried to seize their revolvers.

Twenty-four women and four men were arrested after a sharp fight in which several women were slightly injured.

## ASK TROOPS TO GUARD MINE

(By Associated Press.)

Washington, November 5.—Request for federal troops to guard the coal mines was made today by Kentucky operators who conferred with Fleet Administrator Garfield.

All Good Road Proposals Pass

(By Associated Press.)

Columbus, O., November 5.—Reports received by the Ohio Good Roads Federation late today from 25 of the 66 counties where additional tax levies for good roads were voted on, indicated all of them would carry with exception of Hamilton county.

Charles Knedler won in the hot contest for mayor of Greenfield, defeating G. H. Morehouse by a majority of 175 votes.

The town voted dry by 200 votes and for classification the vote was 56 for and 452 against.

## PLAN TO EXTEND MAIN HIGHWAY

Plans are on foot for extension of the main inter-county highway of which the Wilmington and Columbus pikes are a part, by rebuilding the road through Clarksville in Clinton county.

In connection with the proposed extension of the road the Wilmington News says:

"The section of road between Wilmington and Clarksville is the only stretch of road in the county that can receive both State and Federal aid, said County Surveyor Collett. The road is a main market road and an inter-county road explains the Surveyor, and as such is next in line for improvement."

"The section is the only remaining strip that is not improved or under the process of improvement, of all the main lines of road between Cleveland and Zanesville and Cincinnati, and for that reason haste is being made in the matter of taking early steps in preparation for its improvement next summer."

"It happens that the road from this city to Clarksville is one of the sections of the main line between Cleveland, Columbus and Cincinnati, and with the conjunction of the lines from Zanesville, at Washington C. H., the road is still more important, as it continues the line of the Sherman-Shelton road, of which Zanesville and Cincinnati are the terminals.

"Harwood Leibach, District Engineer for the State, was here this morning and in a conference with Surveyor Collett announced that the State is ready with its 51 per cent of the to

that cost, and the movement has been started to secure the remaining parts of the fund required to construct the road.

"It will be built next summer, Mr. Collett thinks, and with its completion will come the establishment of a perfect road from Wilmington to Columbus and to Cincinnati."

## FUNERAL SERVICES FOR ALLEN L. HYDE

The funeral of Mr. Allen L. Hyde, one of the foremost older residents of the New Holland community, held at the home, was largely attended. Rev. H. E. Keifer conducted the services, assisted by Rev. C. L. Thomas. Mrs. Dwight Withcoot of Chillicothe sang the hymns: "Rock of Ages" and "Jesus Lover of My Soul."

Messrs. George Kirkpatrick, W. C. Crawford, John T. Dick, Robert and Fulton Hyde, Charles Grimes acted as pallbearers.

Relatives and friends from a distance attending the services included the daughter, Mrs. E. M. Houston, Dr. Houston, two children of Dayton; the son, Mr. Wilby Hyde, Mrs. Hyde and three children, of Chillicothe; Mr. and Mrs. John Grimes and daughter Josephine, Mr. F. E. Conover, of Delaware; Mr. and Mrs. Joseph Grimes and children, Judge and Mrs. Bitzer of Chillicothe, Mr. and Mrs. Robert Hyde, Mr. and Mrs. Fulton Hyde, Mr. Albert Betts of Frankfort; Mr. and Mrs. John Dunlap of Williamsport; Mr. and Mrs. Milt Graham, Mr. and Mrs. Jesse McAllister of Clarksville; Mr. Charles Mendenhall of Dayton; Mr. Howard Hagler and Mrs. V. R. McCoy of this community.

## SUGAR SHORTAGE IS MORE ACUTE

The sugar shortage is becoming very acute in this city, with no sugar coming in and some of the grocers without a single pound of sugar for the sale, while other grocers are selling the very limited amounts because of the small supply.

So far no exact date has been set when the first supply of beet sugar will be available, and the citizens generally are using sparingly of the limited supply obtainable because they believe the situation may become still more acute before an adequate supply is obtained.

## CHERRY PAINTED OTHER CHANGES

Painters are at work on the Cherry Hotel applying a fresh coat of dark green paint to the hotel and to the adjoining business houses in the Cherry block.

The painting of the outside of the hotel is but the first step in the remodeling and refurnishing to follow. Walls and ceilings will be frescoed and the woodwork refinished.

Improvements will also be made in other parts of the building.

## FORD TURNED OVER OCCUPANTS ESCAPE

While coming from Chillicothe late Tuesday evening Chief of Police Moore found a Ford touring car turned up side down in the road at the turn on the Chillicothe pike near the covered bridge. No one was found near the scene of the accident and the car could not be identified.

Wednesday morning an effort was being made to find the owner when Walter Sinton, who said his home was in Wilmington arrived at the police station and claimed the Ford. He stated that he and another man were coming from Good Hope after delivering some school books and that their car turned over at the turn. The two men were not injured in the least and decided to leave the Ford until morning.

Sinton said that he must have gone to sleep and the car got from under his control.

## A Big Ally

It is too early to begin to assert just what turn the strike will take or when the break in the ranks of the miners, if there is one, will come. That the firm announcement of intention by the national officials, notably Attorney General Palmer, speaking for the Department of Justice and for President Wilson, has had a sobering effect on the mass of mine workers seems reasonably safe to presume, even in the absence of positive proof of the fact.

With the federal government justly arrayed against them, with public opinion unanimously hostile, with the firm promise that every ounce of power at the command of the authorities will be used to safeguard the public against the calamity that a few leaders planned, with an injunction obtained for the protection of the public's rights, it is not strange that realization of the enormity of the crime plotted should come to the mass of the mine workers.

The absence of the open saloons and the lack of sense-benumbing alcoholic beverages has been a handicap which has measurably thwarted the plans of the agitators.

The miners can't be kept inflamed and befuddled now so easily as they could in the days when the nation was "wet" and that has been and will be one big aid to the people which will be felt not only in the coal miners' strike, but in other industrial crises which the future may bring.

Nothing helps to straighten out these tangles—no matter how menacing they seem—as realization which comes from the clear thinking of a normal mind.

## Finish It Up

The impression seems general that at its session Friday night the city council will take up and finally dispose of the application of the local light and power company for an increase in rates.

The matter has been "hanging fire" for many months now and the majority of the residents of Washington are anxious to have definite and final action taken.

Thus far council has acted wisely in gathering all the facts upon which an intelligent conclusion may be reached. After the elaborate and exhaustive report of the committee appointed by council to investigate the affairs of the company and makes report, especially now that due time for careful consideration has been consumed there seems no reason for delaying final action on a proposal which has already taken too much time.

From the showing made in the report of the special committee it appears that the light and power company has been and is "up against" abnormal conditions like all other industries but, we have no disposition to express an opinion on the merits of the application at this time.

Council has it, and council will dispose of it—correctly we are warranted in believing, from past action. All we urge now is final action at once.

## What Of It

The evidence being gathered by the congressional committee which has been investigating affairs regarding the construction work and cost at Camp Sherman shows the existence of a condition of carelessness, wastefulness, dishonesty and graft, during the rush times of preparation for war that is much worse than people hereabouts suspected it was and we, all of us, suspected the existence of bad conditions.

If conditions are proven to have been one-half as bad as we suspected they were the guilty should be prosecuted and given the maximum punishment permitted under the law. If it is possible to do it every dishonest contractor and dishonest official should be taken out promptly and shot.

We all know the course that should be pursued, but it will be interesting to see just what will come of it all.

The people are anxious to see whether the congressional committee is simply gathering campaign "thunder" or is engaged in uncovering crime and pursuing the guilty to punishment.

It does no good to uncover all this vice and use it for the sole purpose of gaining a political advantage. Blaming the officials in power who, under the stress of the time were driven to trust someone and allowing the negligent the wasteful, grafting and dishonest men who betrayed their trust to go free is manifestly useless and wholly unjust.

Are the dishonest men who profited at the expense of the people to go free and hold on to their gains and officials make a campaign for office or are they to be punished as they deserve.

The people are reading Camp Sherman revelations with amazement and horror. They have time now since the fighting is over to consider, but they are asking—what of it all? What is to be done? It is not satisfying to the people, it is not just to keep publishing the stories of graft. "What of it?" That's the question.

## POETRY FOR TODAY

## THE MOON KNOWS.

The moon knows, though so young  
The slim, sweet moon that swung  
In last night's arc of perfect blue,  
Knowing the storms were through.  
The young moon that is wise  
To all that lights love's eyes,  
The silver moon that swings  
Where the swift cyclone sings,  
The comet whirrs its tail.  
And one by one towards the day  
The planets walk the wonder-way,  
Up to the zenith clad in fire  
Of immemorial desire.  
The moon knows what you think,  
And she knows what you feel,  
She leans above the sea to drink,  
And to her softly steal.  
The whisper of men's passion borne  
On the green gables of the morn  
To spaces large and sweet.  
The moon knows rapture and defeat  
And she knows whichever of the soul,  
That no man knows until he loves  
And is through love made whole.

## WILL THE SAVIOR NEVER COME?

REFUGEES ARE  
NATURALIZED

Vienna, September 19.—(Correspondence of The Associated Press, by Mail)—Austria, since the collapse, has no need to fear emigration, for in the time between November, 1918, and July, 1919, no less than 150,000 naturalizations have taken place. The majority of them are of residents of Bohemia and Moravia of German ancestry who, rather than come under Czech rule and be Czech citizens, have rushed to Vienna and taken on German-Austrian citizenship.

Many others, refugees most of them, have also swept in and applied for citizenship as Austrians rather than Galicians or Hungarians because they are of German origin. Many have taken on the move in an attempt to avoid the confiscation of their fortunes.

HEAVY DRAIN ON  
HUN TREASURY

(By Associated Press)

Berlin, October 5.—(By Mail)—The "workless support" bonus that thousands upon thousands of men and women now are drawing in Berlin and Germany is proving a heavy drain on the treasury—and it is charged that the bonus is so high that many men who in peace times were unskilled workmen now receive more pay for idleness than if they went back to their labor.

Began under the stress of the revolution and with the intention of temporarily alleviating distress, complaint is made that this bonus system has become a deeply imbedded cancer that sucks millions from the government that can ill afford it.

The number of persons idle in Berlin during August was nearly a mil-

lion. It is estimated that 750,000 of them do not want work because they are being supported by the state and are free to carry on the illegitimate pursuits of the unlicensed street dealer, the fly-by-night gambler, the soap and cigarette vendor.

The streets and squares of Berlin where people congregate most are, despite occasional attempts of the police, swarming hives of humanity, selling or buying poor soap, wretched matches, immoral post-ards and indecent literature, and cigarettes that are sold at ridiculous prices, especially in the case of American cigarettes which now glut the market. Recently the police have begun to raid these vendors.

## BETTER THAN CALOMEL

Thousands Have Discovered  
Dr. Edwards' Olive Tablets  
Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the  
result of Dr. Edwards' determination  
not to treat liver and bowel complaints  
with calomel. For 17 years he used  
these tablets (a vegetable compound  
mixed with olive oil) in his private  
practice with great success.

They do all the good that calomel  
does but have no bad after effects. No  
pains, no griping, no injury to the  
gums or danger from acid foods—yet  
they stimulate the liver and bowels.  
Take Dr. Edwards' Olive Tablets  
when you feel "logy" and "heavy."  
Note how they clear clouded brain and  
perk up the spirits. 10c and 25c a box.

## RANDOM NOTES

### SOCIAL : PERSONAL MENTION : CLUBS

The week's social calendar is proclaiming the new order of social activities in an unusual number of affairs, and club life in full swing with all the zest of pre-war days.

A number of visitors are also stimulating interest.

The beautiful Howat home, with its spaciousness so admirably adapted to generous entertaining, provided most attractive setting for a "Bridge," at which Mrs. Robert C. Howat and daughter, Miss Howat, extended cordial hospitality Tuesday afternoon.

Fourteen tables of players participated in the game, matrons and maids—and not in many moons has there been a more thoroughly delightful affair. Miss Dora Hays won the Bridge trophy, corsage bouquet of pink rose buds and a dainty collation served at the game's close brought the guests into closer intimacy.

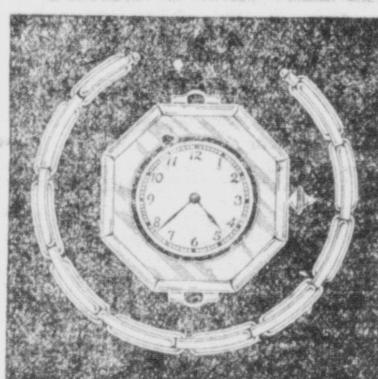

Chrysanthemums and roses added and effective color note throughout the rooms and an unusual number of smart Fall costumes were in evidence. Mrs. Howat was wearing black satin and Miss Howat white georgette. Mrs. Grant Hays assisted in taupe georgette.

Guests from out of town were Mrs. A. R. Getty, of Meiersville, Md.; Mrs. A. P. Rusk, of Zanesville and Mrs. Claude Thomas of London.

Mrs. Alice Moorman and Mrs. D. L. Thompson entertained Tuesday and Wednesday at two of the most elaborate functions of the Fall Season—Bridge luncheons, characterized by charming appointments and much beauty of decoration.

The handsome Creamer home lent itself perfectly to the affairs and the arrangements of Tuesday were duplicated Wednesday and admirably carried out to the complete pleasure of the guests.

The luncheon courses particularly delicious and dainty introducing the pink and white color scheme, were served at four small tables, having

for centerpieces exquisite white willow baskets of pink roses, white pon chrysanthemums and greenery, the handles tied with big bows of pink gauze. The place cards were prettily designed in the same colors.

Receiving with the hostesses as honored guests were Mrs. Louis Weinmann, of San Francisco, Mrs. Palmer Winslow, of Columbus, Mrs. Charles Dresbach, of Circleville and Mrs. Otto Trischeller, of Chillicothe.

Mrs. Moorman was charmingly cordial and smartly gowned in brown tricotette.

Mrs. Thompson was beautifully attired in black tricotette.

Mrs. Weinmann, an unusually interesting woman always cordially welcomed back to her home town, wore a handsome beaded gown of midnight blue georgette. Mrs. Dresbach's effective blond type was set off by a toilette of black satin, with georgette bodice of shell pink, beaded in black. Mrs. Trischeller was very attractive in a modish gown of dark blue serge, trimmed in wool embroidery, with small brown velvet hat, shoes and gloves to match.

Mrs. Winslow was looking extremely chic in a stunning gown of Belgian blue tricotette embroidered in gold.

Tuesday's nights regular meeting of the Browning club ushered in the first of four evenings on the club calendar, under the auspices of the department of Home Economics, Mrs. F. A. White, chairman.

The evening was one of unusual interest, a distinctive feature the singing by Miss Edith Gardner of a stirring patriotic song, "Our Country's Pride," both music and words written by Mrs. Elva H. Kelley and given by request.

The song won complimentary recognition of Mrs. Kelley's versatile ability, both as a musician and composer and of Miss Gardner's skill in interpretation and was much enjoyed.

Mrs. White opened the years work of this department with an excellent paper on "Spirit of Home Making." The writer placed great emphasis upon the responsibilities of mothers.

Mrs. F. G. Carpenter emphasized the need of good English in well chosen remarks, bringing out the advantage of teaching our young people through example by practice rather than precept.

After a short recess Mrs. Haide Van Winkle Coffman introduced Rev. Wm. Boynton Gage, who substituted for Mrs. Coffman's paper by a delightful address, conversational in its style, "On French Family Life and Customs."

So graphically did Rev. Gage present phases of French life that club members felt as if they had been across with him and extended a cordial invitation to the minister to come again.

The employees of the Bell Telephone Co. assembled in the rest room Tuesday night for a very jolly oyster supper.

The room was prettily decorated with Jack-o'-Lanterns and yellow

crepe paper and victrola music was enjoyed.

Mrs. George Sheets pleasantly entertained the Tuesday Kensington Club Tuesday afternoon. Mrs. Richard Ramsey, of Akron, was among the guests.

Among the many delightful affairs of the Hallowe'en season was a masquerade given at the home of Mr. Joseph Kennedy at New Holland.

Immediately upon arriving the guests all representing ghosts were conducted through the "House of Spirits" rooms that were in total darkness. Soon after this journey, the unmasking began.

A number of interesting games were played and prizes were awarded to Joseph Timmons and Theodore Scholler. Another interesting feature of the evening was the telling of fortunes by an old witch.

Tempting refreshments were served.

The guests included Misses Mildred Timmons, Elizabeth Briggs, Elizabeth Hyer, Ruth Montieth, Marjorie Stoker, Opal Wood, Marguerite Daley, Beatrice Schwartz; Raymond Hill, Herbert Vincent, Theodore Scholler and Joseph Timmons.

Mr. and Mrs. Sherman Yerian entertained with a jolly masquerade party, Hallowe'en at their home on the Circleville pike.

Fodder and Jack-o'-Lanterns had transformed the home into a picturesquely setting for the happy masqueraders, who spent a very enjoyable evening in games and music.

Delicious refreshments were served.

The guests were: Mr. and Mrs. Elmer Hutchison, Mr. and Mrs. Joseph Shiller, Mr. and Mrs. Fred Shiller and children, Mr. and Mrs. Floyd Yerian and son Glendon, Misses Della Price, Lois Edwards, Leota Barclay, Marie Baday and Leona Yerian. Messrs. Dwight Edwards, George Shiller, Cecil Yerian, Warren Merritt and John Shiller.

Mrs. Anna Garner and grand daughter, Mrs. L. C. Cummins, were in Springfield Tuesday, to attend the golden wedding anniversary of Mrs. Garner's brother, Mr. W. A. Barnes and wife, Mrs. Garner and Mrs. Cummins will remain for a few days to visit friends and relatives.

Mrs. Elmer Junk and daughter, Mary Catherine leave Thursday morning for Toledo to spend a few days and attend the wedding of Mr. Fred Carpenter and Miss Pauline Groesner. Judge and Mrs. F. G. Carpenter join them Friday, for the wedding.

Mr. A. Clark Gossard is spending a couple of days in Columbus attending a series of lectures by well known optometrists in regard to the examination of November eleventh. Mrs. Gossard is visiting her parents in Springfield, during his absence.

Mrs. Lewis Parrett has gone to Wooster, O., to visit her daughter, Mrs. W. R. Westhafer and Prof. Westhafer.

Mrs. Jess Persinger went to Columbus Wednesday to be a guest at a Bridge party entertained by a school friend.

Mr. H. T. Wilkin was a business visitor in Columbus, Wednesday.

Cards have been received by friends of Dr. and Mrs. J. W. Fennell (nee Mazie Archart) announcing the birth of a daughter at their home in Greenville, S. Ca. on October the twenty-sixth. The little girl has been named Jeanne Louise.

Mrs. Frank Zimmerman and Miss Maude Wood were shopping visitors in this city from Jeffersonville, Tuesday.

### ANSWER CALL NOW BEING URGED BY THE RED CROSS

THE RESULT IN JEFFERSONVILLE

Your Red Cross Dollar helps in ten ways.

While completing our obligations abroad, the Red Cross must answer the call at home and meet the greater peace-time responsibilities shown at the close of the war.

#### AT HOME

1. Organizations of the nation's health forces by co-operation with other agencies and independent action in unorganized communities. Education

and Care of the Sick.

2. Extension of Home Service to provide the same help to civilian families as that given families of our fighting men. Provision for an Information Service to answer questions of every nature.

3. Emergency relief in epidemics and disaster.

4. Permanent service with the Army and Navy.

5. Help for the nation's fighters getting back to civilian life.

6. Child welfare work, with the aid of Junior Red Cross.

7. First Aid.

#### IN EUROPE

1. Relief for the war sufferers and help in the rebuilding of their countries.

2. Distribution of surplus stores donated by the American army.

3. Help for war orphans in Europe through the Junior Red Cross.

4. Relief for the war sufferers and help in the rebuilding of their countries.

5. Help for the nation's fighters getting back to civilian life.

7. First Aid.

### ZEMO STOPS ITCHING, BURNING ECZEMA

#### A CLEAN ANTISEPTIC LIQUID

The very first application of clean, liquid ZEMO stops itching and burning skin. Eczema and most forms of itching and disfiguring skin troubles usually start to heal, and in a short time yield to this soothing, antiseptic wash.

If you have used many salves and greasy lotions, try one 35c trial size, or extra large bottle of ZEMO for \$1.00, and see the difference between a smear and a clean, efficient and economical treatment for your skin.

ZEMO SOAP is healing and should be used with ZEMO in aggravated cases.

## COAL SUPPLY MELTING FAST

With but one or two exceptions coal dealers in the city were stripped of their coal supply the first of the week. One dealer stated that he had a two-day supply. There was no assurance of receiving any more when the amount had been exhausted under present orders.

Six cars of coal seized by the railroad authorities when the order was sent out by the Railroad Administration have not been moved from the local yards. Coal is being shifted through this city over the Wellston Division of the B. & O. for disposition in centers not sufficiently supplied.

According to announcement, Wednesday, by the authorities of the Washington Gas & Electric Company, local citizens have no need to fear a coal famine which would affect the power plant at present. If the occasion should arise it will be possible for the company to secure coal under priority orders of public utility plants.

The plant has a fair supply on hand and with the assurance of receiving more by special permission it is thought that there is no cause for alarm.

Lady Butt.

Lady Butt, the wife of England's most prominent theatrical manager, is herself an amateur actress of no mean ability. Her husband is head of a syndicate that controls a circuit of theaters in England and Scotland, and Lady Butt is his confidant and assistant in business. She has appeared in several amateur productions and through her work in these she is becoming as well known to the people in front of the footlights as she is to those behind them.

## NO INCREASE IN INFLUENZA CASES

Columbus, November 5.—Influenza and pneumonic deaths in large cities of Ohio, as reported to the State Department of Health continued throughout October practically on a level with the rates which have prevailed ever since the last traces of the epidemic died out in May, the health department stated today.

October last year was most severe month of the epidemic with a death toll of nearly 9,000. Influenza and pneumonia remained prevalent through succeeding months into the late spring, causing a total of more than 25,000 deaths.

Despite the reassuring nature of the situation to date state health officials are continuing preparations to meet a possible epidemic.

## NO SCHOOL FRIDAY TEACHERS MEET

School children are hailing with delight the news that there will be no school Friday in the majority of the schools of the county. Schools of this city will be closed and with but a few exceptions all the schools of the rural and village districts.

Teachers will attend the Central Ohio Teachers' Association meeting in Dayton, Friday and Saturday.

## BUYS HOME HERE

Charles H. Moore of the Parish Furniture Company has purchased the W. L. Herron property on the corner of Market and Delaware streets. Mr. Moore will remodel and make the property his future home.

The Hitchcock and Dalbey agency negotiated the deal.

## A CHEERFUL RECOMMENDATION

"They should be in every traveling man's grip," writes Geo. Jenner, 416 Labor St., San Antonio, Tex., of Foley Cathartic Tablets. "They are the best laxative I have taken and I cheerfully recommend them to anyone suffering with constipation or biliousness." They cleanse bowels, sweeten stomach, benefit liver. Blackmer & Tandy.

## GEN. JACOB S. COXEY

General Jacob S. Coxey, of Coxey's Army fame, is the head of the newly organized National Initiative and Referendum League, Inc., the particular objects of which are: To endeavor to secure the adoption of an amendment to the constitution of the United States to the end that constitutional amendments may be adopted by direct vote of the people themselves by means of a National initiative and referendum. Senator Pomerene has introduced a resolution to that effect in the United States Senate.

## "FRIENDL ENEMIES" AT NEW MURPHY

The greatest of all successes will be seen in Wilmington when A. H. Woods will present "Friendly enemies" at the New Murphy Theatre, Wednesday, November 12. "Friendly Enemies" has been a sensational success on two continents. Its fame has spread so far and wide that it needs scarcely a word of comment. It has already been seen by hosts of playgoers and will probably be seen by as many more before its extraordinary career is brought to a close. It is the only play on record which received a public endorsement from a President of the United States. A splendid company will interpret the piece.

## CORN HUSKING WELL UNDER WAY

Corn husking, which was delayed by the incessant rains, has been resumed all over the country, and where corn was not standing well in the shock, many ears in each shock are found to be damaged as result of the rain. Corn which touched the ground had sprouted.

The advent of colder weather and bright sunshine there is little danger of further damage to the crop.

The yield this year is greatly in excess of that in recent years, and there is every reason to believe the crop will be a bumper one, and quite a large amount will be marketed, although the bulk of it will go to fatten the tens of thousands hogs and large number of cattle in the county.

October last year was most severe

month of the epidemic with a death

toll of nearly 9,000. Influenza and

pneumonia remained prevalent

through succeeding months into the

late spring, causing a total of more

than 25,000 deaths.

I believe, after careful investigation, you will become a shareholder. Ask for more particulars.

## A RAW, SORE THROAT

Eases Quickly When You Apply a Little Mustard.

And Mustard won't blister like the old-fashioned mustard plaster. Just spread it on with your fingers. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the scrofula and pain.

Mustard is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsil, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frostbitten feet, colds, on the chest.

Nothing like Mustard for coughy children. Keep it handy for instant use.

30c and 40c jars. Hospital size \$2.50.

## Who Said a Gallon Was Only 4 Quarts?

That is what hundreds of cars want to know. Their mile-crowding owners are skeptical, too. For they are convinced that this rule is all wrong.

They are getting more miles from the tankful of gas. And motors start pronto! on cold winter days. Their Go-Get-'Em buddy is

## Columbus Gasoline

You've got to take off your gasoline filler cap to Columbus. It holds the championship for delivering big mile-per-gallon returns. It will take you farther and faster than any other grade of fuel on the market.

And Columbus carries the same efficiency kick, winter and summer. Its big mileage returns don't drop with the thermometer. And it makes cold and sluggish engines behave.

NOTED CATHEDRAL  
WILL BE USED

(By Associated Press)

Paris, October 1.—(By Mail)—After all the Rheims cathedral has not suffered from German bombardments and fire so much as was at first supposed, Cardinal Lemoine has told a representative of the Paris Intersociety. The Cardinal said that divine services would be resumed in the cathedral from November 1 but the holy office will be restricted to the altar of the Virgin and the ambulatory around it. These will accommodate only about 1,500 persons.

MULTIPLE HITCH  
TO BE DEMONSTRATED

Everything is ready for the big horse power demonstration at Mt. Sterling, November 8th.

The Multiple Hitch has arrived and will be put into working order Saturday's exhibition. The four, six, and eight horse hitch will be thoroughly tried out. The 2 and 3 bottom plows for the demonstration are now at Mt. Sterling and will be ready for use on Saturday, Nov. 8th.

All that is needed now is a good day—the ground to be plowed is well tilled. There will be an ample supply of heavy draft horses.

Wayne Dinsmore, Secretary American Porcheron Society; H. C. Ramsower, Department Agricultural Engineering, Ohio State University; George B. Eastwood, District Supervisor County Agent Work and S. R. Heffron, Madison County Agricultural Agent, will give short talks during the noon hour.

BIG HOMECOMING  
AT OHIO WESLEYAN

Delaware, Ohio, November 4.—Big preparations are being made for one of the most original Homecoming programs ever gotten out at Ohio Wesleyan for her alumni, for November 15.

Beside the usual football game on Edwards field, there will be a "W" Association meeting in Edwards gymnasium and all fraternity houses will be open at the close of the game, so that alumni can visit their friends at the various houses.

There will be a big There will be a big There will be a big vaudeville show in the evening and a Pan-Hellenic serenade at Monnett Hall, with a bon-fire celebration. The campus at the University will be strung with myriads of electric bulbs in connection with other decorations which will be ready to surprise the "old grads."

men will prove a lively attraction. The latter half of the show will be the finish wrestling match between Hillery, local boy and Pardola, of Huntington, West Virginia.

Washington High School will clash with Hillsboro on the gridiron Friday afternoon. Two teams will make the trip to the Highland county seat in charge of Coach Moorehead.

## BELGIAN ROYAL COUPLE AND PRINCE LEOPOLD

Queen Elizabeth, King Albert and Prince Leopold of Belgium are here shown, travelling not like ordinary people—for ordinary people when on a sight seeing trip travel in Pullman cars—but in their "roughing it" clothes, viewing the beautiful California scenery from a flatcar, which was attached to the rear of the train. The king is wearing his cap with a real American tilt and altogether they appear to be enjoying themselves in informal and democratic fashion.

RED CROWN  
GASOLINE

What good Gasoline  
is—and does

The most important quality of a good gasoline, is a low boiling point. This is always provided in Red Crown Gasoline.

Red Crown vaporizes readily—gives quick starts and smooth acceleration. It burns clean—doesn't carbonize cylinders.

Besides, Red Crown is uniform and dependable everywhere you buy it.

Use Polarine for motor lubrication. Flows freely—oils efficiently—saves all created power. Polarine Transmission Lubricants and Cup Greases save the bearings.
